

EVENT INSURANCE

Infinity Park requires a certificate of insurance for all events. If you are unable to provide this through existing coverage, our partners at AON are available to accommodate your needs and our requirements.

If you are planning a wedding, please go to wedsafe.com. For all other events, please go to privateeventinsurance.com. You may also call them at anytime to initiate or during the application process at 877.723.3933.

The following steps are applicable to on-line insurance inquiries:

LEVEL OF COVERAGE:

Please respond with \$1 million of general aggregate and \$1 million per occurrence.

HOST LIQUOR COVERAGE:

We require this if any alcohol will or may be served at your event. In this section of the application, please respond, **YES**.

SPECIAL WORDING BOX:

On the application you will need to put the following: *Additional insured include the City of Glendale. In addition City of Glendale needs to be listed as the certificate holder. 950 S. Birch St. Glendale, CO 80246*

The fee for insurance coverage may range from \$150 - \$250 per event, but this amount is subject to change based on the details of the specific event. Payment for this insurance coverage will be due to the carrier at the time of application.

There is typically a five business day approval process for this type of insurance, so please take this into consideration when planning your event. Insurance certificates may not be obtained on a weekend or holiday. Infinity Park requires you to provide a copy of the insurance certificate before your event can take place. It is the sole responsibility of the Licensee on the contract to obtain and provide this insurance certificate to the Infinity Park Event Manager prior to your event.
